ABOUT ME

I am currently pursuing MSc in Geoinformatics. I have a keen interest in learning about the latest technologies in remote sensing and GIS and applying them to real world problems.

EDUCATION & TRAINING

MSc Geoinformatics

Bharati Vidyapeeth Institute of Environment Education and Research [06/07/2026 - Current]

City: Pune | Country: India

Subjects: Fundamentals of remote sensing, Ecosystem Studies, Fundamentals of geospatial science and technology, Statistics, Programming, Field techniques

Bachelor of Science in Geology

Fergusson College [10/07/2023 - 21/04/2026]

City: Pune | Country: India

Major: geology, minor: chemistry

Relevant coursework: Geomorphology and remote sensing theory course, practical course covering interpretation of satellite imagery and aerial photography

CGPA: 9.2

Higher Secondary Certificate (HSC)

Maharashtra State Board of Secondary and Higher Secondary Education [07/2021 - 05/2023]

City: Nashik | Country: India

Final grade: 85%

Subjects studied: Physics, Chemistry, Mathematics, Geography

WORK EXPERIENCE

ImaGIS Engineering Solutions - Nagpur

Intern

[02/06/2026 - 30/06/2026]

Worked on micro-watershed planning in Narkhed and Katol Talukas of Nagpur and Nagpur city trees digitization project.

Vasundharaa Geo Technologies - Pune

Intern

[02/02/2026 - 13/03/2026]

Project: temporal analysis of forest fires in Gadchiroli Forest Division, Maharashtra using Sentinel-2 imagery.

- Created true color and false color composites from pre- and post-forest fire event images from April 2025 to visualise burnt areas.
- Calculated Normalized Burn Ratio (NBR) for monthly satellite images from the 2023 to 2025 fire seasons to identify burnt areas, and calculated burnt area using the Semi-Automatic Classification Plugin in QGIS.
- Analyzed the patterns in the area of burnt forest over the last three fire seasons

PROJECTS

[27/01/2026 - 31/03/2026]

Hydrogeological studies in Patharpur village, Amravati district, Maharashtra

- Conducted drainage basin analysis on Patharpur village watershed
- Analyzed pumping test data and prepared hydrographs in MS Excel
- Prepared water table contour maps using Surfer 11
- Analyzed secondary rainfall and hydrogeological data, and studied the local geology of Amravati district
- Prepared and presented a research poster for Avishkar competition, held at the college level

This was a short-term research project conducted under Seed Money, funded by Research Development Cell, Fergusson College, Pune. It was conducted under the guidance of Dr. Devdutt Upasani (HOD, Department of Geology) and Ms. Madhu Rajput (Assistant Professor, Department of Geology).

SKILLS

GIS

Knowledge of spatial data handling, co-ordinate reference systems, map projections | Proficiency in QGIS and ArcGIS Pro | Digital cartography | Spectral index calculation | Basics of ArcPy

Data analysis

Microsoft Excel | Contouring with Surfer 11

Field skills

Geospatial data collection with Epicollect5 and ArcGIS Survey123 | Vegetation sampling methods

Soft skills

Presentation skills | Written and verbal communication | Teamwork

CERTIFICATIONS

[National Programme on Technology Enhanced Learning (NPTEL), 01/11/2025]

Spatial Information Science Fundamental aspects of spatial data, spatial analysis with case studies, and hands-on exercises with QGIS

[Goethe Institut, 01/06/2025]

Goethe-Zertifikat A2 Written and verbal communication skills in German language

VOLUNTEERING

[30/06/2025 - 21/04/2026]

Event coordinator at Geology Association, Fergusson College Organizing a variety of events and activities, such as guest lectures, quizzes, and an annual two-day geology-themed event.

[10/2024 - 11/2024]

Student volunteer at Jeevitnadi: Living River Foundation Volunteered in weekly clean-up drives along the bank of the Mutha river, participated in group discussions and attended educational sessions with Jeevitnadi, an organization that works for the rejuvenation and conservation of rivers in Pune, Maharashtra.

[07/2023 - 04/2025]

Student volunteer with the National Service Scheme unit of Fergusson College Engaged in various community service activities such as voter registration drives, clean-up drives, donation drives, tree plantation, rallies, and attended seminars organized in the college.
